

## Town Farm Bay

There is a mooring in Town Farm Bay just south of the Point Bay Marina mooring field. This mooring has a white Polyform buoy.

This serves as a guest mooring for members who keep their boats at other locations around the lake and want to attend club events or for members of other clubs who are visiting our harbor.

## Detail Mooring Descriptions

MOORING	COORDINATES	DEPTH	ANCHOR	CHAIN
Converse 1	44° 17.004' N, 73° 17.165' W	14	Mushroom	38' / 1/2"
Converse 2	44° 17.410' N, 73° 17.298' W	23	Mushroom	46' / 1/2"
Converse 3	44° 17.245' N, 73° 17.085' W	13	Mushroom	27' / 3/8"
Kingsland 1	44° 14.383' N, 73° 18.043' W	23	Block	51' / 5/8"
Kingsland 2	44° 14.319' N, 73° 18.090' W	15	Block	31' / 3/8"
Kingsland 3	44° 14.272' N, 73° 18.025' W	17	Block	28' / 3/8"
Porter 1	44° 13.834' N, 73° 19.039' W	12	Mushroom	21' / 3/8"
Porter 2	44° 13.763' N, 73° 18.991' W	12	Mushroom	20' / 3/8"
Town Farm Bay	44° 16.275' N, 73° 17.010' W	17	Block	45' / 5/8"

**Notes:** Depth (feet) is referenced to 98 foot Lake level

"Block" anchor is a 4x4x1 foot concrete block. In water weight of ~1,200lb.

"Mushroom" anchors are assumed to be 200lb. Can't be confirmed without pulling mooring.

"Chain" shows total length of chain followed by size of bottom chain
